Chairman's Message

Dear BKK members,

The Welsh Open Tournament last month was a fantastic event with 230 competitors from 14 different associations. Our congratulations go out to our organisers Chris Davies, Gareth Jones, and their helpers for a successful tournament.

As always, we have a busy calendar to look forward to throughout the coming months, so as we enter the summer season please check the newsletter and media channels for regular updates.

Our summer camp this year is offering some new instructors, book your place via the BKK website - places are already going fast. I and the instructors will look forward to seeing and training with you all there.

Those of you who are training towards forthcoming gradings, please make sure you get your applications to Shihan Liam in a timely manner.
